

**Job Search Target (Exercise 5.1)**

**Directions:** Be prepared. Think about occupations, industries, *or* employers. Use the **Assess Yourself** section for help. Write down your targets here.

<b>Job Search Target(s)</b>	
<b>Occupation</b>	
<b>Industry</b>	
<b>Employer</b>	

If you don't know what occupations you want to do, look at the **Explore Careers** section. Also, your library or career coach will have information about occupations.
